CAUSE

On December 26, 2013, the defendant stated he had used cocaine at a party he attended. As we discussed his use issues he stated he was depressed about the murder of his mother and an aunt while he was incarcerated. The defendant noted he has never been able to talk to anyone about this issue in his life. He added the holidays brought these feelings back and he decided to attend the party to get away from them for a while. At this time it would be respectfully recommended the requested mental health condition be imposed.

Respectfully submitted,

Waiver of Hearing to Modify Conditions of Probation/Supervised Release or Extend Term of Supervision

I have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable change may be made in my Conditions of Probation and Supervised Release or my period of supervision being extended. By "assistance of counsel," I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I also understand that I have the right to request the court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing.

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to following modification of my Conditions of Probation and Supervised Release or to the proposed extension of my term of supervision:
